ABOUT US

CLEANCUP is the paper cup manufacturer branch of CLEAN PACK AMBALAJ LTD. Due to the needs of sector related to human health and environment. We manufacture healthy and food grade coffee to go cups (disposable paper cups) in its production facility located in İstanbul. Our production complies with European food grade standards.

As a company established with "CLEAN CUP, CLEAN ENVIRONMENT, CLEAN WORLD" motto, we produce environmentally friendly; recyclable or biodegradable(PLA) paper cups besides the food grade PE coated paper cups. In this direction, we only use FCS (Forest Management Certification) certified companies' raw materials in our production.

Our goal is to be a leading packaging company in Turkey.
